AFSAC Online Overview

AFSAC

- **AFSAC Online provides world-wide users 'secure access' to their country's FMS data**
 - Access anywhere internet is available
 - Instant customer access to data
 - **Reduces status requests to AFSAC/Supply Sources**
 - **Customer can input their own requisitions and narratives**
- **Complements (not replaces) our valued personal interaction with our customers**

Security...

AFSAC

- **Applications are secured so that each country only has access to its own country data**
- **Some applications have restricted access**

Easy On-Line Access

AFSAC

- **Users may obtain password via on-line automated form.***

Welcome to the Air Force Security Assistance Center Web Site. If you are a customer, thank you for making us your supplier of choice. If you are a visitor, thank you for your interest.

- AFSAC's goal is to satisfy our customers' needs. This Web based service is another attempt to achieve that goal. It is not intended to replace our valued personal interface with our customer. Because our customers are worldwide, we have developed this interface to provide easy, around-the-clock access to information about our services.
- [Business applications](#)
We currently offer a suite of 4 Business Applications for accessing your FMS data via this web site. In addition we also have a quick view application to obtain a snap shot of a requisitions current status. As of 22 May 2001 you now have the ability to input A01 requisitions via the web site.
